Inspire Foundation

Directors' Report (continued) for the year ended 30 June 2009

Marty Gauvin – Director – appointed 10 November 2008

Marty Gauvin is an entrepreneur who has founded a range of high technology companies. Between 1999 and 2009 he was the Managing Director of Hostworks, a provider of critical application management services to a range of large media and online clients. For the past eight years Marty has also been involved in the assessment and structure of a range of Commonwealth Government innovation programs. In recent times this has included roles in the review of the National Innovation System and membership of the committee administering venture capital programs. This combination of working in and on innovation means that Marty can provide a unique perspective on ways to foster, develop and reinforce innovation. Since leaving Hostworks Marty is pursuing new ventures in Cloud Computing and Data Centre consulting. Marty joined the Inspire Board in November 2008.

Meetings of directors

During the financial year, 4 meetings of directors were held. A new board director –Marty Gauvin was appointed at the board meeting held on 10th November 2008. The number of meetings attended by each of the directors in the year ended 30 June 2009 were:

Name of Director	Number eligible	Number attended
M Mentha	4	4
J Doumani	4	1
D Gold	4	3
P Gilding	4	1
J Heath	4	3
J Owen	4	4
M Gauvin	2	2

Principal activities

The principal activity of the company during the financial year was as a charitable company dedicated to the promotion of national mental health and wellbeing with a specific brief on youth suicide prevention via the use of electronic media.

Operating results

The operating surplus for the year amounted to \$13,523 (2008: \$45,027).

Review of operations

Inspire continued to deliver two of its national programs, through a combination of technology and face-to-face involvement of young people. The year saw the continued growth of the Foundation with the implementation of new mission statement, 2020 Vision and four year strategic plan. Under the strategic plan, the Bean Bag Program was discontinued after a review of the program identified obstacles in taking the program to a national audience. In place of the Bean Bag program, groups of young people at greater risk of mental health difficulties were identified for focus being: young men, same sex attracted young people, young people at risk of drug or alcohol misuse and young carers.

Inspire Foundation

Directors' Report (continued) for the year ended 30 June 2009

State of affairs

The company was incorporated on 14 November 1996 as New Australia Foundation and changed its name to the Inspire Foundation effective 3 March 1998. The company has been granted the status of a charitable company and is licensed to collect money or goods for a charitable purpose.

In the opinion of the directors there were no significant changes in the state of affairs of the company that occurred during the financial year under review.

Environmental regulation

The company's operations are not subject to any significant environmental regulations under either Commonwealth or State legislation.

Events subsequent to balance date

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material nature likely, in the opinion of the directors of Inspire Foundation, to affect significantly the operations of the company, the results of those operations, or the state of affairs of the company, in subsequent financial years.

Likely developments

Inspire Foundation will continue to pursue its charitable goals in helping members of the community during the next financial year.

Indemnification

During the financial year Inspire Foundation has paid premiums in respect of directors' and officers' liability and legal expenses insurance contracts for the year ended 30 June 2009. Such insurance contracts insure against certain liability (subject to specific exclusions) persons who are or have been directors or executive officers of the company. The directors have not included details of the nature of the liabilities covered or the amount of the premium paid in respect of directors' and officers' liability and legal expenses' insurance contracts, as such disclosure is prohibited under the terms of the contract.

Director's emoluments

During the year ended 30 June 2009, the company paid emoluments to Mr Jack Heath of \$143,174 (2008: \$168,173).

Inspire Foundation

Directors' Report (continued) for the year ended 30 June 2009

Directors' benefits

Since the end of the previous financial year no director of the company has received or has become entitled to receive any benefit (other than a benefit included in the aggregate amount of remuneration received or due and receivable by directors shown in the financial report, or the fixed salary of a full-time employee of the company or of a related body corporate) by reason of a contract made by the company or a related body corporate with a director or with a firm of which the director is a member, or with an entity in which the director has a substantial financial interest, except as disclosed in note 14 to the financial report.

Audit independence

The lead auditor's independence declaration is set out on page 4 and forms part of the Directors' report for the year ended 30 June 2009.

Dated at Sydney this 12th day of November 2009.

Inspire Foundation

Notes to the financial statements for the year ended 30 June 2009

1 Reporting entity

Inspire Foundation (the 'Foundation') is a company limited by guarantee and does not have share capital. The Foundation is domiciled in Australia and its registered office is 102 Beattie St, Balmain NSW 2041. The Foundation is a charitable company dedicated to the promotion of national healing with a specific brief on youth suicide prevention via the use of electronic media.

2 Basis of preparation

(a) Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards (AASBs) (including Australian Interpretations) adopted by the Australian Accounting Standards Board (AASB) and the Corporations Act 2001. The financial report of the Company complies with the International Financial Reporting Standards (IFRSs) and interpretations adopted by the International Accounting Standards Board.

The financial statements were approved by the Board of Directors on 12th November 2009.

(b) Basis of preparation

The financial report is prepared on the historical cost basis.

(c) Functional and presentation currency

The financial report is presented in Australian dollars, which is the foundation's functional currency.

(d) Use of estimates and judgements

The preparation of a financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected. In particular we draw your attention to Note 20 – Operating Lease Commitments.

3 Significant accounting policies

The accounting policies set out below have been consistently applied to all periods presented in the financial report.

(a) Financial instruments

Non derivative financial instruments comprise trade and other receivables, cash and cash equivalents, loans and borrowings, and trade and other payables.

Inspire Foundation

Notes to the financial statements for the year ended 30 June 2009

3 Significant accounting policies (continued)

(a) Financial instruments (continued)

These non-derivative financial instruments are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, non-derivative financial instruments are measured as described below.

A financial instrument is recognised if the Foundation becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Foundation's contractual rights to the cash flows from the financial assets expire or if the Foundation transfers the financial asset to another party without retaining control or substantially all risks and rewards of the asset. Regular purchases and sales of financial assets are accounted for at trade date i.e., the date that the Foundation commits itself to purchase or sell the asset. Financial liabilities are derecognised if the Foundation's obligations specified in the contract expire or are discharged or cancelled.

Cash and cash equivalents comprise cash balances and term deposits.

(b) Plant and equipment

Owned assets

Items of plant and equipment are stated at cost less accumulated depreciation and impairment losses (see accounting policy (c)). Cost includes expenditures that are directly attributable to the acquisition of the asset.

Where parts of an item of plant and equipment have different useful lives, they are accounted for as separate items of plant and equipment.

Leased assets

Leases in terms of which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. Other leases are classified as operating leases. Lease payments are accounted for as described in accounting policy (e).

Subsequent costs

The company recognises in the carrying amount of an item of plant and equipment the cost of replacing part of such an item when that cost is incurred if it is probable that the future economic benefits embodied within the item will flow to the company and the cost of the item can be measured reliably. All other costs are recognised in the income statement as an expense as incurred.

Depreciation

Plant and equipment are valued at cost, and are depreciated at a rate between 10% and 33% on a straight-line basis over their estimated useful lives. Purchased items under \$1,000 are written off in the year they are purchased.

Inspire Foundation

Notes to the financial statements for the year ended 30 June 2009

3 Significant accounting policies (continued)

(b) Plant and equipment (continued)

Depreciation rates were reviewed during the year. All substantial furniture items and leasehold improvements have been allocated a useful life of 10 years to reflect the intended lease term (5 years plus 5 year option). Some smaller items have been allocated with a useful life of 1 year and depreciated fully in the first year. No material impact noted.

Depreciation rates:

	2009	2008
Plant and equipment	10-33%	10-33%
Computer equipment	33%	33%

The gain or loss on disposal is calculated as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposal.

The residual value, the useful life and the depreciation method applied to an asset are reassessed at least annually.

(c) Impairment

The carrying amounts of the company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the income statement.

(d) Employee entitlements

Wages, salaries, annual leave and sick leave

Liabilities for employee benefits for wages, salaries, annual leave and sick leave that are expected to be settled within 12 months of the reporting date represent present obligations resulting from employees' services provided to reporting date, are calculated at undiscounted amounts based on remuneration wage and salary rates that the company expects to pay as at reporting date including related on-costs, such as workers compensation insurance and payroll tax.

Defined contribution superannuation funds

Obligations for contributions to defined contribution superannuation funds are recognised as an expense in the income statement as incurred.

Inspire Foundation

Notes to the financial statements for the year ended 30 June 2009

3 Significant accounting policies (continued)

(d) Employee entitlements (continued)

Long-term service benefits

The company's net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is calculated using expected future increases in wage and salary rates including related on-costs and expected settlement dates, and is discounted using the rates attached to the Commonwealth Government bonds at the balance sheet date which have maturity dates approximating to the terms of the company's obligations.

(e) Revenue

Revenues are recognised at the fair value of the consideration received or receivable, net of the amount of goods and services tax (GST).

Grant income

Government and corporate grants are recorded as revenue when specific project goals are met and the grant is earned. Income from donations and appeals is recorded on a receipts basis.

Donations in kind

The company receives various pro-bono services and donations in kind. Revenue has not been brought to account in the financial statements for services as management are unable to reasonably estimate the value of these donations and services. Revenue has been brought to account in the financial statements for contributed assets as management are able to reasonably estimate the fair value of these assets.

Unspent project grants

The company receives grants and funding for specific projects in advance of expenditure. The company records specific project expenditure against these grants and recognises any unspent portion as a liability.

Net financing income

Net financing income is comprised of interest receivable on funds invested. Interest income is recognised in the income statement as it accrues, using the effective interest method.

Inspire Foundation

Notes to the financial statements for the year ended 30 June 2009

3 Significant accounting policies (continued)

(e) Revenue (continued)

Operating lease payments

Payments made under operating leases are recognised in the income statement on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern of the benefit. Lease incentives received are recognised in the income statement as an integral part of the total lease expense and spread over the lease term.

(g) Income tax

The company is a registered charity and is exempt from income tax in accordance with section 50.5 of the Income Tax Assessment Act 1997. It is also exempt from fringe benefits, sales and capital gains taxes and state payroll tax.

(h) Goods and services tax

Receipts, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis.

GST amount receivable or payable to ATO are classified as operating cash flows.

There are no bonus payments.

Income of key management personnel comprises amounts paid or payable to directors and executive officers domiciled in Australia, directly or indirectly by the Foundation or any related party in connection with the management of the affairs of the company whether as key management personnel or otherwise.

15 Financial instruments

The company's financial assets and liabilities included in current assets and liabilities in the balance sheet are carried at amounts that approximate fair values. These include cash, receivables and creditors and accrued expenses.

The main risks arising from the company's financial instruments are market risk (in the form of interest rate risk) and credit risk.

(a) Interest rate risk

The company's only exposure to interest rate risk is on cash with an average interest rate of 5.94% (2008: 6.3%). Risk is mitigated through using fixed rate term deposits for all cash not needed for operating. All other financial assets and liabilities are not interest bearing.

(b) Credit risk exposure

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. The only source of credit risk is found in the trade receivables balance. Refer to Note 8 for details on trade receivables that are past due but not impaired.

Director

Independent audit report to the members of Inspire Foundation

We have audited the accompanying financial report of Inspire Foundation for the financial year ended 30 June 2009, which comprises the balance sheet as at 30 June 2009 and the income statement, statement of recognised income and expense and cash flow statement for the year then ended, a summary of significant accounting policies, other explanatory notes 1 to 21 and the directors' declaration.

Directors' responsibility for the financial report

The directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility also includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Corporations Act 2001* and Australian Accounting Standards (including the Australian Accounting Interpretations), a view which is consistent with our understanding of the Company's financial position and of its performance.

In addition, our audit report has also been prepared for the members of the company in accordance with Section 24(2) of the Charitable Fundraising (NSW) Act 1991. Accordingly we have performed additional work beyond that which is performed in our capacity as auditors pursuant to the Corporations Act 2001. These additional procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the Charitable Fundraising (NSW) Act 1991 and Regulations.

It should be noted that the accounting records and data relied upon for reporting on fundraising appeal activities are not continuously audited and do not necessarily reflect after the event accounting adjustments and the normal year end financial adjustments for such matters as accruals, prepayments, provisioning and valuations necessary for year end financial report preparation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's opinions

Auditor's opinion pursuant to the Corporations Act 2001

In our opinion, the financial report of Inspire Foundation is in accordance with:

- a) the Corporations Act 2001, including:
 - i. giving a true and fair view of the company's financial position as at 30 June 2009 and of its performance for the year ended on that date; and
 - ii. complying Australian Accounting Standards and the Corporations Regulations 2001; and
- b) the financial report also complies with International Financial Reporting Standards as disclosed in note 2.

Audit opinion pursuant to the Charitable Fundraising (NSW) Act 1991

In our opinion:

- a) the financial report gives a true and fair view of the financial result of fundraising appeal activities for the financial year ended 30 June 2009;
- b) the financial report has been properly drawn up, and the associated records have been properly kept for the period from 1 July 2008 to 30 June 2009, in accordance with the Charitable Fundraising (NSW) Act 1991 and Regulations;
- c) money received as a result of fundraising appeal activities conducted during the period from 1 July 2008 to 30 June 2009 has been properly accounted for and applied in accordance with the Charitable Fundraising (NSW) Act 1991 and Regulations; and
- d) there are reasonable grounds to believe that Inspire Foundation will be able to pay its debts as and when they fall due.
